

Hailing from France, Jacques Rendu is ***Coeur de Terre Vineyard***'s Direct Sales Manager. Travel and family led him to Oregon following a career in the Silicon Valley and Hollywood film industry. Once he saw the vineyards dotting the Willamette Valley hillsides, there was no turning back. It revived a deep connection to his family heritage rooted in this special wine growing region he calls 'home' in the Jura, Bugey and Savoie, Apremont region.

He will respond "mais oui!" to any request for help with IPNC or industry events taking place around the Valley. In his view, there is nothing better than discovering beautiful wines paired perfectly with good food in the company of great friends.

Prior to ***Coeur de Terre Vineyard***, he has worked at several well-known Oregon wineries as well as served on the boards of the McMinnville Downtown Wineries and the Tasting Room Managers Network.
